Joint Liquidators' Report

## **1 Background**

### **1.1 Appointment**

Pursuant to resolutions passed at the SGM, Mark Allitt and Mike Morrison of KPMG Advisory Limited were appointed as Joint Liquidators ("the JLs") of the Company on 25 July 2018.

Upon the appointment of the JLs, all powers of the Board ceased and the JLs became responsible for the affairs of the Company during the course of the MVL.

In addition, whilst trading of the Company's shares had been suspended from 25 July 2018, these shares were cancelled on the LSE and BSX on 26 July 2018 following the Liquidation.

The Company held its first annual general meeting on 15 July 2019.

## **2 Arrangements with Company's service providers**

Upon the appointment of the JLs, the JLs terminated all arrangements with the Company's service providers which were no longer required.

In order to minimize the costs of the liquidation, the JLs have continued to engage Computershare Investor Services ("Computershare") to provide depositary and registrar services, BCML as investment manager and SS&C Fund Services (Bermuda) Limited ("SS&C") to provide Fund Administration services.

As previously noted, should the Investment Manager or Administrator cease providing the certain reporting and administrative services in the Liquidation, the JLs' costs may increase accordingly.

## **3 Redemption of Master Fund Shares**

On August 8, 2018, the JLs served a redemption notice on Blue Water Master Fund Limited ("Blue Water" or "the Master Fund") in respect of 100% of the Company's Series B Preference Shares ("the Shares") in the Master Fund, which are linked to the segregated account known as Blue Capital Global Reinsurance SA-1 ("the Fund").

As the Company is a feeder fund to the Master Fund, the Liquidation is primarily being achieved by redeeming the Shares in accordance with the terms thereof and distributing the net proceeds to Shareholders.

Further details regarding the redemption of the Shares and subsequent distributions to Shareholders is detailed in section 4.

## **4 Distributions to Shareholders**

As previously noted, the JLs served a redemption notice on the Master Fund in respect to the Company's shares in the Master Fund.

In order to minimize costs, a decision was made by the JL's, in consultation with Blue Capital Management Limited ("BCML"), to cease the preparation of monthly Net Asset Value ("NAV") announcements.

In addition, under the statutory roles for conducting MVL's the JL's no longer prepare interim financial statements. Instead, quarterly NAV reports and distribution statements are prepared and posted on the Company's website at <http://ir-bcai.bluecapital.bm>.

As at the date of this report, the JLs have received distributions totaling \$86million from the Master Fund and have authorized the following distributions to the Company's shareholders:

Year 1:

- \$7 million on 26 October 2018;
- \$3 million on 28 January 201; and
- \$56 million on 25 April 2019.

Year 2:

- \$13 million on 28 October 2019;
- \$5 million on 29 January 2020; and
- \$2 million on 27 April 2020.

The JLs expect to continue distributing the net proceeds of the redemptions of the Master Fund Shares (after payment of any costs and save for any amount required for reserves in respect of anticipated liabilities) to Shareholders on a quarterly basis by way of a dividend or other distribution.

A substantial portion of the Company's assets was distributed to Shareholders in early 2020. The JLs have approved a distribution of \$1 million in July 2020. The JLs expect to receive all remaining redemption amounts during 2021 and will make further distributions as soon as practicable.

Please note that as the liquidation continues to wind down and the majority of assets are distributed, the JLs may delay future distributions until a material amount is available for distribution to avoid the cost and administrative burden of distributing small amounts.

## **5 Creditors**

The JLs are yet to call for creditors to submit their claims in the liquidation and plan to make a call for claims by the end of 2020. The Company has good record keeping and therefore this statutory requirement to call for creditors to submit their claims is not expected to give rise to any creditor claims.

## **6 Professional Fees**

As previously detailed to shareholders, the remuneration of the JLs is based on the time spent by the JLs and members of their staff in attending to matters arising prior to and during the Liquidation.

At the commencement of the Winding Up the costs of the JLs were estimated to amount to approximately \$55k to \$65k for the initial 12-month period from the date of the Liquidation and approximately \$30k to \$40k per annum thereafter.

In addition, the JLs will also be reimbursed for all reasonable out of pocket expenses and disbursements properly incurred in connection with the Winding Up out of the assets of the Company.

On 15 May 2020, the JLs raised an invoice for our professional fees and disbursements for the period 1 November 2019 to 5 May 2020 in the amount of \$20,796. This invoice was approved and paid on 2 June 2020.

The JLs fees for the period 6 May 2020 to 30 June 2020 total \$7,090 plus disbursements, however, is yet to be invoiced. The JLs fees for the initial 12-month period is marginally above the estimate at the commencement of the winding up. The slight increase in fees being incurred as a result additional communication with investors regarding queries in respect to future distributions and timing of the liquidation.

## **7 Receipts and Payments**

The Company operates a bank account with HSBC Bank Bermuda Limited ("HSBC").

Due to SS&C Fund Services (Bermuda) Limited acting as the Fund Administrator, all payments are prepared by SS&C and approved by the JLs.

A receipts and payments schedule for the period 1 July 2019 to 30 June 2020 is attached as Appendix A.

## **8 Annual General Meeting**
